

Group membership

As a Local Ambassador, you can purchase a group membership at a discounted rate of 20% for 8+ undergraduate members or 8+ postgraduate members.

Let us know that you'd like to purchase a group membership by emailing: membership@biochemistry.org

We will send you a link to make payment by debit or credit card or for you to request an invoice

Once we have received payment, we will send you a link to share with the group members. The group members will each need to go online and complete their details by a specified deadline

After the deadline has passed, the group memberships will be activated and we will let you know if any group members have not completed their details

FAQs

- Group memberships are for a minimum of 8 x postgraduate members or a minimum of 8 x undergraduate members.
- Please note a group membership cannot be comprised of a mixture of postgraduate and undergraduate members.
- Once the group membership expires, the student will be placed into the normal renewal cycle and will receive automatic renewal notifications as an individual membership.
- You can make payment by debit card, credit card or request an invoice during the application if you prefer to make payment this way.
- Students are now required to register their own details with the Society in order to comply with the General Data Protection Regulation.
- If the Local Ambassador has asked a member of their administrative staff to process the group membership purchase, the member of staff will also need to create a user for themselves in the Society's online system. The membership team can help them with this.
- We are unable to offer a refund for individual students who do not register their details and claim their group membership within the specified deadline.
